

Thank you very much for volunteering to Feed San Antonio’s Homeless! Your Team has been approved. Now is the time to begin inviting people to be part of your Team. You can have as many Team Members as you like, however, due to the size of our kitchen, **only eight** volunteers can serve during a meal shift. All volunteers must register at: <https://volunteer.stvinnysbistro.org/registration/>

Please login to your account and invite your Team Members; and schedule a meal shift. Even if all of your Team Members have not registered, you can begin inviting those that are registered. You can schedule a meal shift now and modify it later once additional Team Members have registered and accepted to be part of your Team.

IT IS UP TO YOU to schedule your meal shift through the online portal! Scheduling is on a first-choice basis. Login to your account: <https://volunteer.stvinnysbistro.org/login> Go to your Dashboard, select “Full Schedule.” Click on a calendar date and follow the instructions. You can schedule 1 day per month or 1 day each quarter? This is scheduled by selecting & clicking on a future date under “Full Schedule” selecting the month and day. Images may appear different when using a mobile device.

After scheduling a meal shift, you will receive an email with a link to obtain a **map and volunteer instructions**. You can have as many Team Members as you like, however, due to the size of our kitchen, **only eight** volunteers can serve during a meal shift.

Please let me know if you have any questions.
